### **Intellectual Property Rights Cell**

Intellectual Property (IP) is a category of property that includes intangible creation of human intellectual. Intellectual property provides assets like inventions, designs, software other creative and innovative ideas. IPR is granted to creators and owners of works that are results of human intellectual creativity.

The aim of the Intellectual Property Cell is to propagate awareness on the intellectual property among the researchers of the College by organizing workshops, seminars, and training programs. The cell also facilitates the researchers in obtaining and enforcing IPRs in the form of patents, copyrights, Trademarks, Industrial Designs, etc. The IP Cell provides technical and financial assistance to the researchers of the college.

**Acts and rules of IPR are available on** <http://www.ipindia.nic.in/resources.htm#acts> Anantrao Pawar College recognizes the importance of intellectual Property Rights of IP generated by its teachers and students. The college is committed to do all sorts of IP within its power and obligations to encourage innovations and creations of its faculty and students. IPR cell of Anantrao Pawar College established in June 2017. The IPR cell of college provides support and guidance to faculty and students in protecting their inventions and creations. The activity of IPR cell of the college is in alignment of Government of India.
