Annual Report:

ADD-ON COURSE: Fruits and Vegetable Drying Dehydration Technician

(Academic Year: 2021-22)

Fruits and Vegetable Drying Dehydration Technician ADD-ON course has been started in the college from academic year 2021-22. Under this scheme, this course was started in the college with the aim of providing skill-based education to the students of the college and providing those opportunities for employment and self-employment. This college is in a rural area. Also, most of the students coming to this college are from rural areas. Since the livelihood of most of the students depends on agriculture, this course was started in the college with the aim that they should get employment through agriculture and get to know agriculture-based industries and businesses which will affect their economic situation. As Mulshi Tehsil is close to Pune city so good market is available for agricultural produce. Through the Fruits and Vegetable Drying Dehydration Technician ADD-ON course, guidance is being given on how to process agricultural technology and agricultural produce. A total of 126 students took admission in this course in this academic year.

This course was completed under the guidance of the faculty of the college and the persons working in the industry. This course was taught by Prof. Akshay Shete and Smt. Aruna Herekar did the teaching work. This course was completed through 30 hours of hands- on training. Out of 126 students enrolled in the course, 76 students completed the ADD-ON course.

To complete this course, Head of B.Voc. Vice-Principal of the college. Dr. Pravin Cholke and the Prof. Akshay Shete worked as the coordinator of the course under the valuable guidance of Hon'ble Principal Dr. Sharmila Chaudhari.
