**ADD-ON COURSE: ORGANIC URBAN FARMING**

**(Academic Year: 2021 -22)**

From the academic year 2021-22 an ADD-ON course Organic Urban Farming has been introduced in the college. Under this scheme, this course was started in the college with the aim of providing skill based education to the students of the college and providing them opportunities for employment and self-employment. This college is in a rural area. Also, most of the students coming to this college are from rural areas. Since the livelihood of most of the students depends on agriculture, this course was started in the college with the aim that they should get employment through agriculture and get to know agriculture based industries and businesses which will affect their economic situation. Also Mulshi Tehsil is close to Pune city so good market is available for agricultural produce. Through Organic Urban Farming ADD-ON Courses, guidance is being given on farming technology and how to do chemical free farming. A total of 124 students took admission in this course in this academic year.

This course was completed under the guidance of the faculty of the college and the persons working in the industry. This course was taught by Prof Akshay Shete did the teaching work. This course was completed through ADD-ON course with a total of 30 hours and hands-on training. Out of 124 students enrolled in the course, 74 students completed this ADD-ON course.

To complete this course, Prof. Akshay Shete worked as the coordinator of the course under the valuable guidance of the Vice-Principal of the college Dr. Pravin Cholke & Hon'ble Principal Dr. Sharmila Chaudhari.
