Anantrao Pawar College Pirangut is the only aided college in Mulshi Tehsil and traditional degree course education is imparted from this college. With the aim that the students can get professional education along with this degree course (Certificate Course). The course was started under B.Voc. in this college. Pirangut is a village Being close to Hinjewadi I.T. Park, as well as being close to the city of Pune; there are ample opportunities in computer and related fields. For this reason, there are ample employment opportunities available to students in the field of Multimedia and Animation. To get education in this field, students have to go to Pune-Mumbai cities. Also, this course has been started for the first time in Pune University. As the admission fee for this course is high in other private institutes, students are deprived of studying in this field.
