**Report of one week faculty Development Programme on e-Content Development for teachers**

When used right, technology can make learning better. e-learning is a good fit for distance learning and learning that changes over time, but it can also be used to supplement traditional classroom learning. There is no sign that e-learning will completely replace traditional classrooms with blackboards any time soon. Instead, it seems to work along with the current system.

e-Content was already being developed quickly and used by many people. With the help of , e-learning, lessons can be given digitally and from a distance. From 13/08/2018 to 18/08/2018, teachers at Anantrao Pawar College in Pirangut took part in a faculty development programme on e-Content development that was meant to improve their skills in this area. Total 29 participants of college has participated in this FDP.

**Day-01(13/08/2018)**

Principal Dr. P.N. Shelke, Vice Principal and Resource Person Prof. Tanaji Jadhav, and others began the session by lighting a lamp and praying to the goddess Ma Saraswati. Presenting the day's guest with saplings and shawls was part of the traditional greeting ritual. Prof. H.B. Ubale delivered the opening remarks and discussed the importance of creating new digital resources in India. Dr. Jadhav Tanaji, the event's principal guest, then gave an orientation address in which he discussed the policies of the Indian government as they pertain to distance education. Dr. P.N. Shelke, who presided over the opening ceremony, contrasted the benefits of the classical education system with the urgent need for reform in the educational landscape of the modern world by emphasising the need of having ready access to advances in e-learning. He has provided fresh insight into the creation of linguistically diverse e-content that can aid students studying from a far. The opening session was then adjourned after Dr. S. A. Lokare offered a motion of thanks.

Prof. Tanaji Jadhav from Mamsaheb Mohol college, Pune will be leading the first session, and he will be focusing on "Creating the Transcript" in that session. In addition to the development-stage debate of the nature of transcripts, he clarified the distinction between e-content transcripts and academic transcripts.

Next session is also conducted by Prof. Tanaji Jadhav Pune and he emphasized upon 'Developing the Transcript'. He explained the difference between e-content transcript and academic transcript along with the discussion about nature of transcript during development stages.

#### **Day-02 (14/08/2018)**

In first session on "Different Formats of Presentations," led by Prof. Shahaji Shinde from Annasaheb Magar College, Hadapsar, Pune. He talked about some of the key factors that should be taken into account when creating digital media.

Prof. Shahaji Shinde led the second session of day 2 on the topic of "Use of Graphics / Animation" in the creation of digital media. He demonstrated several audio/visual aids for working with graphics. Also, he's included links to a variety of sites that provide an in-depth look into open data repositories and other resources that can be used in the creation of e-content.

#### **Day-03 (16/08/2018)**

The first session of FDP focused on "Use of Power-Point" for creating online material. Prof. Vaibhavee Kale from Annasaheb Magar College, Hadapsar, Pune led discussion. She has delivered crucial instruction on the Power Point Slides' aesthetics and relationships.

The second session, led by Prof. Vaibhavee Kale, was a live demonstration of how to create a YouTube channel and publish videos to different sites. Several teachers attended this session. The attendees' questions have been thoroughly answered by the resource person. All of the attendees were urged to improve their e-content creation skills by the Resource People.

#### **Day-04 (17/08/2018)**

During the first session, Dr. Deshmukh S. H. from Annasaheb Waghitre College, Otur, Pune gave a technical workshop on how to make powerful PowerPoint presentations. There are several crucial time-saving tips he provided for making a PowerPoint.

As for the second session, video editing software was the subject of a technical session led by Dr. Deshmukh S. H. In it, he detailed the process of making instructional films with OBS and other tools. There are a lot of teachers who have picked up video editing skills thanks to Open Broadcasting Software.

#### **Day-05(18/08/2018)**

At the first session, Prof. Bharat Kangude from Baburaoji Gholap College, Sangvi, Pune spoke on the significance of paperless work in the colleges. He has explained many

apps like google lene, adobe scanner etc by which we can carry paperless work in the college.

Prof. Bharat Kangude from Baburaoji Gholap College, Sangvi, Pune in second session, led a technical workshop in which he gave attendees valuable hands-on experience in handling google docs, google drive etc. He urged them to join the advanced learning movement of the 21st century.

Prof. Bharat Kangude is the chief guest of honour at the Valedictory Ceremony. During his time as a teacher and a Ph.D. candidate, he gained experience in online education and e-content development, both of which he discussed. After his speech he also appreciated the feedback received from participants of this workshop. Almost 98 % participants were given 'good or above good' feedback which can be treated as receipt from them for organizing such innovative, revolutionary workshop on e-content development. On the dice all the participants honored with participation certificate by the auspicious hands of all dignitaries present for this session. Prof. Vaibhav Salve gave the vote of gratitude. All in all, it seems that this workshop was a great success, as it managed to accomplish all of its set goals.
